

GIVE THE GIFT OF MUSIC EDUCATION

YOUR 2012 DONATION WILL MAKE YOU A FOUNDING MEMBER OF MUSIC WORKSHOP

Happy Holidays.

Welcome to the first Music Workshop e-newsletter. We are working hard to meet our fundraising goal by December 31st and need your help to do so. We feel so incredibly thankful for all of the cash donations that have come in over the past month - totalling almost \$13,000. Our fundraising goal for 2012 is \$50,000. This amount is necessary to get the program built and into all preview schools - affecting 5500-6000 students. All donations go directly to the creation and implementation of the program. Donate today and become one of the founding donors of this incredible program.

Many Thanks,

Amy Richter, Executive Director
