MUSIC WORKSHOP'S FEBRUARY SUPERSTAR is Carol Hocker from Vern Patrick Elementary

Carol is a teacher using our program to go above and beyond. She shared the following with us:

"I am currently showing the Careers in Music series to my 3rd-5th grade classes. The great majority thought that being a radio DJ would be a great job. So, I have lined up a local DJ to come address the students in a special assembly. Excited! Also, one of my students recognized the Music Therapist. She was in the hospital recently and the therapist taught her how to play the ukulele."

We love to hear about your successes! Please share them with us in an email, your feedback forms or on our [Facebook page](#)

- Are you including Jazz, Rock n' Roll or R&B in your lessons for Black History Month? Our courses on these great genres include history and amazing performers.
- It feels like the lead story on the news each night is the flu! A Music Workshop course is an easy, quick lesson for planning on the fly.
- February can include concerts, grading days, substitutes - so many reasons for crazy or short weeks. Music Workshop is standing by ready to help out.

We are hard at work on our newest course, **Woodwinds** - launch date, **May 1st** - having so much fun picking Fun Facts - we are thinking nose flutes!

- We are currently in the process of improving and updating our **Course Completion Feedback Form**. We have heard from some of you that it is too clumsy and needs to be streamlined. Let us assure you that changes are in the works. As you know, the Feedback Forms are very important to us. We depend on your feedback to improve the courses and also to be able to provide our program for free. Our donations and grants are tied directly to the feedback that we receive from our Music Workshop teachers. Thank you for your patience!
- **What a kick off to 2018!** BIG thanks to all of you who have been sharing our story on Social Media. We have been able to spread the word like never before. We added 55 new schools in 14 new states! Amazing! Our team is the power of 2 so we appreciate all the help you can give us! Thank you so much!
