

We are so thankful!

Because of all the amazing support and generous gifts - Music Workshop is "Rockin"! This year our top accomplishments include:

- Educating over 8000 students
- Over 20 schools have implemented the program in Oregon and Washington
- To date, 150+ volunteers and educational staff have been recruited and trained to help prepare and execute the Music Workshop program
- In the 2013-2014 school year, Music Workshop will provide participating students with over 300 additional minutes of music education
- Music Workshop was awarded "Volunteers of the Year" by the Beaverton Arts Commission
- Over \$140,000 has been contributed in financial and in-kind donations
- 100% of all donations have gone directly to program development and implementation

Thank you for helping Music Workshop be a success!

"Evolution of Rock n' Roll"

All participating schools will receive the Evolution of Rock episode this Fall/Winter. Our focus is teaching the students about the historical facts, instruments, styles, dances and artists of the 1970's and 80's. The students

love it!

Once again we are so very lucky to have Iris Harrison of 92.3 KGON narrating this episode and bringing her Rock n' Roll roots to this amazing episode!

Click on the picture above to see a sample of the episode.

"Classical"

Another episode offering this year is and episode on Classical music. The students are going to love this episode when they

realize how much of their world contains classical music.

Click the picture to the above to see a sample of this episode.

Donation Request

Without donations, Music Workshop would not be a reality. We are a non-profit organization that offers a free music education program to all elementary and middle schools. Your donation is 100% deductible and will be used 100% in program development and implementation. Please donate today.

Thank you,

Music Workshop
